

*Why do you want to start deer hunting in Iowa?  
By Darrin Gordon, fall 2007*

*I would like to attend the Mentored Outdoor Experience because I have never been deer hunting. I went on the youth duck and pheasant hunts in Carroll County and had a really fun time. But going deer hunting too would be awesome. I would also like to attend the MOE because when I was in the Hunting and Conversation Program at Springbrook I loved the setup of the land. There is a very nice timber that looks like it is just crawling with deer. I would love to come back to Springbrook to go deer hunting. I love hunting. I have a passion for it but four years ago my father passed away and I really have not had the chance to go hunting. The only hunting I have been able to do is small game, which is fun and exciting but not as fun as deer hunting. That is why I would like to go deer hunting with one of you. I would also like to thank-you for this opportunity in life.*
